

Reproducing the paper on Pattern Annotation

Team Members: Bipin Chandra Karnati (karnati3@illinois.edu)

Savitha Govindarajan (savitha3@illinois.edu)

Utpal Mondal (umondal2@illinois.edu)

Team Leader: Savitha Govindarajan (savitha3@illinois.edu)

Team Name: Avengers

Progress Report:

1. Which tasks have been completed?

- Reviewed the paper to understand what is implemented, how it is implemented and the experiments in the paper
- Made decision on which of the experiments need to be implemented using the code
- Collected the data required to reproduce the paper & working on the required data clean up
- Organized a plan and the work split up amongst each team member

2. Which tasks are pending?

- Code Implementation to reproduce the paper
- Validating the code to conclude the same results as in the Paper

3. Are you facing any Challenges?

- No specific open challenges at this point
